

REMARKS/ARGUMENTS

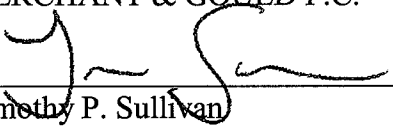

The Office Action mailed January 16, 2008 has been received and the Examiner's comments carefully reviewed. Claim 19 is objected to because of informalities. Claims 10 and 16-21 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The Applicants have amended Claims 1-7 to recite computer-readable storage medium as suggested by the Examiner. Claims 10 and 16 have been amended to address the 35 U.S.C. 112 rejections. The Applicants respectfully request the rejection be withdrawn. Claim 19 has been amended to correct the typographical error from "on" to "one" (The Examiner indicated that Claim 10 had this error but the Applicants were unable to locate this language in Claim 1. As such, Claim 19 was amended).

In view of the foregoing amendments and remarks, all pending claims are believed to be allowable and the application is in condition for allowance. Therefore, a Notice of Allowance is respectfully requested. Should the Examiner have any further issues regarding this application, the Examiner is requested to contact the undersigned attorney for the applicant at the telephone number provided below.

Respectfully submitted,
